FASTER DRILLING & THREADING

TAP & DRILL SETS

Heavy-duty HSS drills with corresponding tap for convenient drilling and threading

BENEFITS

- ✓ All Nitro® drills are made from premium quality M2 HSS for heavy-duty drilling in a wide range of materials, including stainless steel
- ✓ 135° Split point ensures ease of penetration and reduces "walking" when starting a hole
- ✓ Set includes associated M2 HSS black oxide finish hand taps

INNOVATIVE SOLUTION

Drills and taps in a single pass, reducing cycle time, and therefore reducing the manufacturing cost of a part.

- ✓ Electrical Contractors
- ✓ Maintenance Departments
- ✓ Utility Crews
- ✓ Mechanics
- ✓ Installation Crews
